One singular sensation
Every little step she takes.
One thrilling combination
Every move she makes.
One smile and suddenly nobody
Else will do.
You know you'll never be lonely
With you know who.
One moment in her presence
And you can forget the rest
For the girl is second best
to none, son.
Ooh! Sight!
Give her your attention!
Do I really have to mention,
She's the one!
from "A Chorus Line"

Andrea Henderson

Suddenly my world's gone
And changed its face,
But I still know where I'm going;
I have had my mind spun around
In space
And yet I've watched it growing.

Oh, if you're listening God,
Please don't make it hard
To know if we should believe.

The things we see.
Tell us, should we run away
Should we try and stay —
Or would it be better
Just to let things be?

Living here in this brand — new world
Might be a fantasy;
But it's taught me to love,
So it's real, real, real, to me . . .
And I've learned that we must look
Inside our hearts to find . . .
A world full of love
Like yours, like mine, like home!

PREP FOOTBALL

The function of motherhood, coaches opine,
Is raising a son for the backfield or line;
They particularily relish the God-given knack
Of mothers who turn out a quarterback.

Thank-you Coach and
Mr. Millhon for your
time and effort.

It seems to me a crime that we should age
These fragile times should never slip us by
A time you never can or shall erase
As friends together watch their childhood fly.

EVERYBODY HAS A DREAM

While in these days of quiet desperation
As I wander through the world in which I live
I search everywhere for some new inspiration
But It's more than reality can give
If I need a cause for celebration
Or a comfort I can use to ease my mind
I rely on my imagination
And I dream of an imaginary time . . .

People asleep in darkness
Blind to the loneliness they see
All Around

Wake sleepers to the dream of
Light through a window streaming in
Wake and you'll see

Fears are walls separating
Those people who are waiting
For windows to be opened
Open your heart

Move in the right direction now
See we are reflections of
Kindness we are given
Open your heart

Come to the window of love
Light will be beaming from above

From within
Within you.

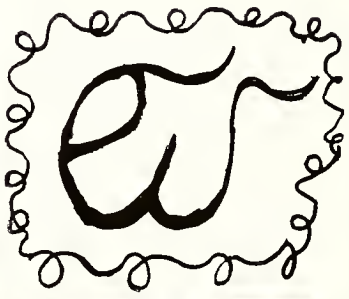
Kissin Wears Out
Cookin Don't

Love is a symphony, hearts in one melody cause I write a song for you. There in your silent night, the joy of a songs delight.
What am I to say? Finding it all complete in a lovely face. Feelings that we try to chase, Memories that won't erase. Stay Forever New!
No one is more important to me than them.

Marice White



Here I sit where no worries nor sadness nor confusion can find me. I know what it is that I see out there the feeling finds me every time I look. It is one of beauty, one of peace, one that makes me feel a unity between myself and the beauty. A good natured feeling reflects in my soul from what I touch. The needs I have, The answers will reach me. Time is measured everywhere else but out here time is not.

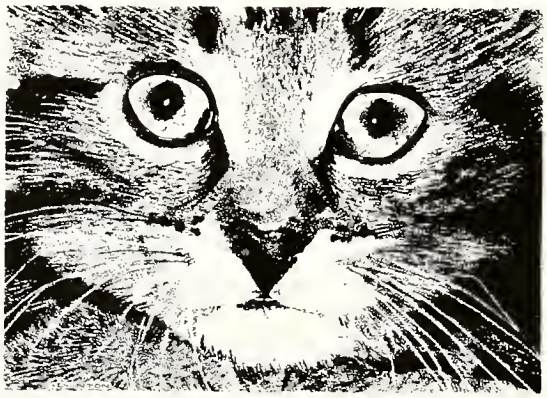
Langeston Hughes

At eighteen our convictions are hills from which we look.

F. Scott Fitzgerald

Those school girl days
of telling tales and
biting nails are gone
but in my mind I know
they will live on and
on. How do you thank
someone who has taken
you from crayons to
perfume?
To sir with love



Ah, la belle chose
de savior quelque
chose

Molière

And the days of my life are but,

"If you want to dance, you have to pay the fiddler. Well sir, my credit is gone and my account...empty."

"Hey Nora how about a piano-playing fish?"

"I don't know why we come here, all they make us do is..."

"Dog food pass, Peggy dog food!

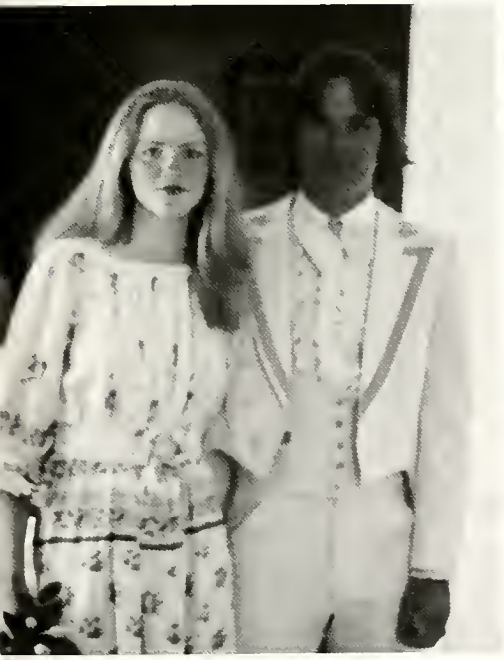
"Tomahawk Woman"

"Sorry Mary Ann I forgot its just a hockey stick!"

Stratford: jumping from sink quick grab her shes nude again If you don't shape-up I'a get Lundholm. Shhh- okay okay! I drank, how much? Oh my! Groovy!

grains of sand that fall from your open hand at the call of the winds command. — Allen Parsons

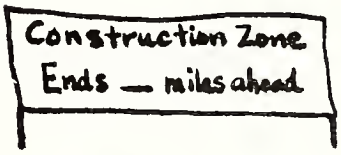
For all the good times, sad times, laugh times, silly sentimental times we've shared — I celebrate you, my friend."



I don't know why it is we are in such a hurry to get up when we fall down. You might think we would lie there and rest awhile. — Max Eastman.

To thank people for helping me become what I am wouldn't be quite right. To be thankful of life itself, the opportunities and chances it gives us and to learn from each other — to that is what I have the best offer of thanks to give. — Lisa Trombla

I am on a lonely road and traveling looking for the key to set my self free.



"Oh you're in my blood like Holy wine taste so bitter and so sweet, Oh I could drink a case of you darling, and I would still be on my feet, oh I would still be on my feet."

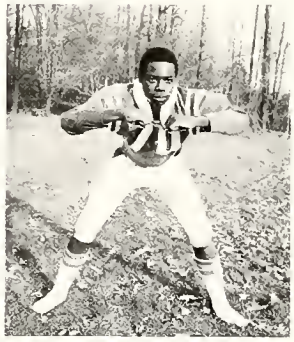
One man wins success
By his words, another
Gets his due reward,
By the work of his hands.
A fool thinks he is always right,
Wise is the man who listens to advice.
proverb 12:14 — 15

Ode to M.V.

It's really sad to stop and think
That my business here is through,
If I could I'd pull some strings
And stay a year or two,
But I guess I've been here long enough
And soon will be gone,
But I'll still expect you to be the greatest,
And keep on keepin' on. Willard
Marshall
Blakney



From a freshman who
thought he was
rough . . .

To a senior who *knew*
he was tough!
THANKS M.V.

What a piece of work is a man! how noble in reason! how infinite in faculties! in form and moving how express and admirable! in action how like an angel! in apprehension how like a god! the beauty of the world, the paragon of animals!
—Hamlet, Act II, Scene II

Everybody's heart needs a holiday sometime,
And everyone of us needs to get away somehow.
With some laughing, light-hearted nudes,
Sight-seeing afternoons,
And telling a joke or two.
Cause every day invites you to find your place in the sun.
Everybody's panning for gold,
And you can find it for a price.
And love always promises to last forever,
But sometimes it just doesn't work out.
Those laughing light-hearted tunes —
Sometimes they turn to blues.
So tell yourself a joke or two,
Cause every day invites you to find a place in the sun.
It's time to find a place in the sun.
It's time to find a place in the sun.
— Cory Lerios and Bud Cockrell

Put me on a highway,
Show me a sign
And take it to the limit
One more time.
